Bobbie Lou Anderson  
Utah State Health Department  
P.O. Box 142002  
Salt Lake City, UT 84114

Dear Bobbie Lou,

Congratulations on a job well done! I want to thank you for your participation in the American Red Cross blood drive held on Wednesday, November 6<sup>th</sup>, 2002.

You will be interested to know that because of your efforts, there are a total of 40 new pints of blood now available for patient care. Your drive had 47 people presenting to donate resulting in 40 productive units. Of the 47 presenting donors, 4 of them were first-time donors, 6 were deferred and there was 1 unusable unit. Please let everyone know how much we appreciate their efforts.

The American Red Cross Blood Services in Utah must collect blood from approximately 390 volunteer blood donors each business day in order to meet patients' needs. Because of your efforts, the donors who donated at your blood drive have helped ensure that there is an adequate blood supply for our friends, family members, and neighbors in need.

Most of all, we appreciate your willingness to volunteer your time to coordinate the drive. Thank you for your efforts and your generous support. We realize the amount of work that goes into every successful blood drive, and your efforts have helped save patients' lives. Remember that, together, we can save a life.

Sincerely,

Natalie Ward
